

**BT6609**  
(TouchPad REX Button)

**Features**

- Touch Pad technology, contactless
- Europe Standard
- Waterproof
- Manufactured in KEYKING's ISO:9001 registered facility.

**Description**

This TouchPad REX Button is rugged, weather-resistant and attractive in design. Blue backlit LED assist operation in low or no light conditions.

BT6609 can be easily disinfected in areas where hygiene is important, and has an exceptionally long life due to no moving parts. The unit resists the elements such as glue, oil, rain, ice, snow, ideal for hospitals, industrial and commercial application.

This release button product has advanced touchpad features for wide compatibility with different controller types.
